

Technical drawing of a vertical rectangular object. The drawing shows a front view on the left and a side view on the right. The front view is a rectangle with a horizontal dimension line at the bottom indicating a width of 120. The side view is a narrow vertical rectangle with a vertical dimension line on the right indicating a height of 16. The object has a small rectangular feature near the top left of the front view and a small circular feature near the top right.
